In characteristically daring style, Anthony Burgess combines two responses to Orwell's 1984 in one book. The first is a sharp analysis: through dialogues, parodies and essays, Burgess sheds new light on what he called 'an apocalyptic codex of our worst fears', creating a critique that is literature in its own right. Part two is Burgess' own dystopic vision, written in 1978.

1985 is in two parts. The first is a series of essays and interviews (Burgess is the voice of the interviewer and the interviewee) discussing aspects of Orwell's book. The second is a novella set in 1985, seven years distant at the time of the novel's writing. Rather than a sequel to Orwell's novel, Burgess uses the same concept.
