6th Edition is really making it clear that you can't have all your eggs in one basket. Monster deathstar units, while still scary and for good reason are no longer as practical as they were. Below is the list I am now going to be using for 1850 tournament play.

40K Unorthodoxy: 40K 6th Edition look at Sisters of Battle

Dominions are Sisters of Battle who are trained to use specialist close-range weaponry such as Flamers, Storm Bolters and Meltaguns. Overview. Each Adepta Sororitas Order maintains several units of Dominions. They are among their Orders most aggressive warriors, driven by the need to destroy the Emperor's foes. Though their training has tampered the worst of their impetuosity, Dominions still yearn to fight at the forefront of any Sororitas attack.
