### A Tale of the Future

Like "Anticipations of the Future," this is a book by a Southern Fire-Eater about the long-anticipated Civil War. Indeed, this author, Nathaniel Beverly Tucker, anticipated the Civil War in 1836 (to take place in 1849). Indeed, Tucker was so far ahead of his time that he actually died of old age before the South seceded and the war began.

### The Partisan Leader: A Tale of the Future, Annotated ...

Published in Manga Shōnen, 1978-1980. The story is about a woodcutter named Benta and his childhood sweetheart, Obu, who are separated and caught up in the events of the Genpei War. Various historical figures, such as Taira no Kiyomori, appear as major and minor characters.

### A Tale of the Future - College Life.

This thesis is working towards developing a set of representations capable of crafting a cautionary tale of a possible future of the built environment, should we continue to ignore the signs of rapid deterioration across our planet. The goal is to illuminate the issue of climate change through the lens of architectural propaganda and architectural ruins.

### "Ultimus: A Cautionary Tale of Our Future" by Ian Jones

"Please believe us; we won't exploit our nature anymore. We have seen the effect of our actions.

We have seen the state of the earth in future, if we continue to exploit earth," both begged in chorus. As both of them were speaking to the monster, a strong air blew and pulled both of them back to their room.
