Free Excel Assessment Test Practice - iPrep

I've just sat this exam and it was very similar to the practice test on MyAAT. No VLOOKUPS despite concentrating on them quite a lot. I used all the tips on here so fingers crossed. I am a little worried I missed something as I finished the exam in about an hour. I didn't realise it was so early until I

was on the train home.

Spreadsheet Exam — AAT Discussion forums

Since 2016 I have been studying the AAT qualifications for bookkeeping and accountancy, because I'm interested in learning more about finance - money does make the world go round, after all. I have been helping fellow students with their Excel learning (it's covered in detail at Level 3 in the synoptic exam) and wanted to share with you ...

Excel for Accounting Students - Spreadsheet support and ...

Working with spreadsheets can make accounting tasks much more efficient and reliable once we have learnt to use the required functionality. However, in order to achieve that, we have to combine accounting knowledge with spreadsheet skills and for many of us, bring both areas together is a real challenge. In this article we're going to work through how to use Excel's VLOOKUP function.
