African Women's Movements by Aili Mari Tripp

African Women's Movements by Aili Mari Tripp, Isabel Casimiro, Joy Kwesiga, and Alice Mungwa is a slim and reachable academic work that examines the evolving sociopolitical transformation of women's status in African societies from the 1950's up to date. Although focusing on the case studies of Cameroon, Mozambique, and Uganda, the authors brilliantly combine data and information from the whole continent.

Review - African Women's Movements

Although colonialism prohibited and in many cases restricted women's political mobilization, African women were key leaders in independent movements despite being politically disenfranchised. For example, in 1944, Lady Oyinkan Morenike Abayomi formed the Women's Party in Lagos to advocate for women's rights in Nigeria.

African Women and Social Movements in Africa - AAIHS

As numerous conflicts have come to an end in Africa over the past two decades, women's movements have sought to advance a women's rights agenda through peace accords; through constitutional, legislative, and electoral reforms; as well as through the introduction of gender quotas.
