The U.S. Constitution: Continuity and Change in the ...

"Change" refers to something that is obviously different from what occurred previously. Change in history usually occurs over a long period of time and it is often hard to pin-point an exact moment of change. Therefore, it is easier to choose two different moments in history and compare them.

Change and Continuity - History Skills

The American colonists had just fought a long and bitter war against a powerful centralized government; they were wary of creating another. The Second Continental Congress, which continued to function as the government of the new United States following the Declaration of Independence, drafted the Articles of Confederation in 1777.

America under the Articles of ... - Sage American History

Documenting and explaining continuity and change is a crucial challenge in the study of American political parties and politics (Schattschneider, 1960; Campbell and others, 1960). This work takes up that challenge with respect to the party system over the last quarter of the twentieth century.
