Amp Guide

Amps are weapons that only the Operator can wield. Operator mode is unlocked after completion of The Second Dream quest. They are primarily used for taking down Eidolon shields on the Plains of Eidolon and resetting the resistances of Sentients and the Stalker.

The Complete Amp Guide | Frame Mastery

Amps are mainly used in the end game for taking down the massive Sentient Eidolons that roam the plains at night. They're the game's only way of dealing Void-type damage and thus the only means for destroying the Eidolons' shields.

Ultimate Guide To Fender Amps. Leo Fender may be regarded as the world's most influential innovator of electric guitars, but he was also largely responsible for pioneering the production of guitar amps. Manufactured by his eponymous brand since the early '50s, Leo's amplifiers arguably set the precedent for all others to follow, with ...
