Ashes of the
Unspeakable is book
two of The Borrowed
World series. After
wide-scale terrorist
attacks brought down
much of the United
States' infrastructure,
including our electrical
grid and the ability to
produce fuel, society
broke down fast.

The second book Ashes Of The Unspeakable was pre-ordered and when it arrived once again exceptional. I read this book from start to finish in one day also. The characters are believable as is the situation they are in. The action is fast paced and keeps you wanting to turn the next page.

Series Volume 2

In his bestselling novels, *The Borrowed World* and *Ashes of the Unspeakable*, Franklin Horton showed us a nation facing societal collapse from a coordinated ISIS attack on the American infrastructure. Most of the country is without power, communication, and fuel.
