Ben Forta writes in a very comprehensive way that makes very simple to understand. This is a beginners book and you can be writting queries very soon. Definitely you will spend much more than 10 minutes per lesson, but the book is easy to read and it goes right to the point. If you don't know SQL, then this is your starting point.

SQL in 10 Minutes, Sams Teach Yourself: Amazon.co.uk ...

Ben Forta has a way of cutting through the details by giving concise explanations of each database statement and by providing output examples of each statement. His prose is not so terse as to leave the reader in the dark but just verbose enough to promote an understanding of the MySQL language syntax.
