Party Systems and Decentralization in Africa | SpringerLink

In order to provide an empirical basis for a comparative assessment, the authors have developed a model based on the scope, intensity and commitment to decentralization in a country. Each of these concepts is operationalized in terms of a set of empirically measurable variables.

Assessing the impact of decentralization on governance: A ...

Comparative literature on institutional reforms in multi-level systems proceeds from a global trend towards the decentralization of state functions. However, there is only scarce knowledge about the impact that decentralization has had, in particular, upon the sub-central governments involved. How does it affect regional and local governments?

Institutional impact assessment in multi-level systems ...

An OECD study quotes Chanchal Kumar Sharma as stating: "a true assessment of the degree of decentralization in a country can be made only if a comprehensive approach is adopted and rather than trying to simplify the syndrome of characteristics into the single dimension of autonomy, interrelationships of various dimensions of decentralization are taken into account."

Decentralization - Wikipedia

Assessment from 2010, but also draws upon existing USAID knowledge and experience in decentralization and local governance. In particular, the study makes reference to the Democratic Decentralization Programming Handbook (DDPH, 2009) and the various reports of the Comparative Assessment of Decentralization in Africa

DEVOLUTION IN KENYA STUDY
