Drum 247. 5.0 out of 5 starsContinuo Playing According to Handel: His Figured Bass Exercises. March 27, 2015. The quality of the binding is cheap, paper used is almost like construction paper and the ink almost bleeds into the paper itself creating spider marks/hairline absorptive runs (as if the ink was sucked up by the paper and spider cracks formed via the black ink - pretty bad/poor/low quality printing). this book has been around for so long now I wonder why a PDF isnt available.
