Home - Learn About Event Planning

Event planning is the energizing art of choreographing people and activities in order to create a show that creates memories of a lifetime. Designing and producing an event, whether it's a meeting, corporate event, fund-raiser, tradeshow or any other event, is in many ways comparable to directing a live stage performance.

What is Event Planning | International Institute of Event ...

Event planning is a social profession in that the result – the event itself – will include a group of people, large or small. Understanding people and enjoying talking to them is part of the job. This does not mean that, as an event planner, you will spend most of your day at client lunches and having cocktails at social events.

5 Event-Planning Skills You Need for Success

Event planning requires a supreme level of organization, time management, and communication skills that can't be learned from a book.
