### Falling Free Vorkosigan Saga 4 Lois McMaster Bujold

I can't relate to fantasy. But the Vorkosigan Saga is definitely science fiction. And to judge from the first book in the series, it's great stuff. There are 16 other novels that follow, and Bujold may not be finished yet. The principal character after whom the sci-fi series is named, Miles Vorkosigan, doesn't even surface in Falling Free.

Falling Free is set in the Vorkosigan universe, though it takes place about 200 years before Miles is born and its events are only tangentially related to the greater Vorkosigan saga. Regardless, I was pretty excited about digging into it, because I thought the premise teemed with all sorts of possibilities for drama and adventure.
