Geriatrics Research | American Geriatrics Society

A geriatric nurse, or gerontological nurse, is a type of nurse that helps care for aging and elderly individuals. They are trained to be able to perform traditional nursing duties, yet they also

Get Free Geriatric Nursing Research Digest

have special training that helps them better understand the special needs of many elderly people.

How to Become a Geriatric Nurse || EveryNurse.org

Gerontological nursing is the specialty of nursing pertaining to older adults.

Gerontological nurses work in collaboration with older adults, their families, and

Get Free Geriatric Nursing Research Digest

communities to support healthy aging, maximum functioning, and quality of life. The term gerontological nursing, which replaced the term geriatric nursing in the 1970s, is seen as being more consistent with the specialty's broader ...
