offers the most complete selection of pre-press, production, and design services also give fast download and reading book online. Our solutions can be designed to match the complexity and unique requirements of your publishing program and what you searching of book.

Global Express Bd 700 Aircraft

The Bombardier Global Express is a large cabin, 6,000 nmi / 11,100 km range business jet designed and manufactured by Bombardier Aviation (formerly Bombardier Aerospace). Announced in October 1991, it first flew on 13 October 1996, received its Canadian type certification on 31 July 1998 and entered service in July 1999. Initially powered by two BMW/Rolls-Royce BR710s, it shares its fuselage ...

Bombardier Global Express - Wikipedia

The Global Express shares the Canadair Regional Jet's fuselage cross section and is similar in length, but despite the size similarities the two aircraft are very different due to the nature of their roles. The Global Express features an advanced all new supercritical wing with a 35° sweep and winglets, plus a new Ttail.

Bombardier BD-700 Global Express - Airliners.net
