Gold The Race For The He profiles the leaders of the gold market today, the nature of the current boom, and the likely prospects for the future. From the earliest civilizations, when gold was an icon of sacred and kingly power, Hart tracks its evolution, through conquest, murder, and international mayhem, into the speculative casino-chip that the metal has become.

Gold: The Race for the World’s Most Seductive Metal: Hart ...

The author’s main interest is in business rivalries and trading systems, and this is the book’s main theme. In that sense the subtitle “The Race for the World’s Most Seductive Metal” is accurate, since this is mainly about competition between businesses (and criminals) to control as much of the gold trade as possible.
