Historically Built Wigs. Custom Historical Styles. Though our artisans are working from home during this time, we are still available to answer questions and take new orders. Production on existing orders continues on schedule. Because historical wigs encompass a vast expanse of styles and personalities, it is impossible to categorize them all here, but suffice to say that we haven't yet met the historic hair that we aren't excited to recreate.

In the Victorian era, a woman's hair was an important part of her appearance, as it was an expression of her femininity. Wigs and hairpieces have been a common accessory throughout history and the Victorian era was no different. The most popular clip in hair pieces, known as postiches, were added to help achieve a more elaborate hairstyle to help add to the coils and curls.
