Incorruptible Bodies Of The Saints

Throughout the Catholic Church's history, the bodies of many saints were exhumed after death and found incorrupt. Normally after death, our bodies naturally decompose. As Genesis 3:19 says, "For you are dust, and to dust you shall return." However, there are saints who exhibited such holiness that God preserved their bodies. Even science has no explanation for this! Here are six saints' bodies whose bodies are incorrupt: St. Vincent de Paul

100+ Best Incompact Saints images | Incompactible saints ...

Incompactible Saints Today The idea that some bodies remain more or less in the same condition they were in when a person died doesn't exactly align with our understanding of science. However, that doesn't change the fact that the bodies of some saints have remained relatively preserved long after we would have expected them to break down.
