From 1774 until about 1832, treaties between individual sovereign American Indian nations and the U.S. were negotiated to establish borders and prescribe conditions of behavior between the parties. The form of these agreements was nearly identical to the Treaty of Paris ending the Revolutionary War between the U.S. and Great Britain.

American Indian Treaties | National Archives

The pace of treaty-making reached a crescendo during the 1860s, when 59 Indian treaties were ratified by the Senate. It was during this decade that a crusade to prohibit Indian treaty-making gathered momentum. Post-Civil War critics of Indian treaty-making came from many walks of life.

Federal Indian Policy - Treaty Period

This is a list of treaties to which the United States has been a party or which have had direct relevance to U.S. history. This is an incomplete list. For an official list, update

List of United States treaties - Wikipedia

In this period, the dispossession of Indians fell under a federal policy called "removal," taken from the title of the 1830 Indian Removal Act that authorized the negotiation of treaties to rid the east of American Indians. The use of that neutral sanitized term obscures both the motivations and effects of the policy.
