How to change practice Using this guide This guide is in three parts. • Part 1 discusses the types of barriers to change encountered in healthcare. It should help you to understand the different types of barriers and why change may be difficult.

How to change

Through policy work, nurses can and should influence practice standards and processes to assure quality of care. Nurses who influence policy help shape the care that will be provided today and tomorrow. Policies also impact resource allocation to support delivery of healthcare.

Influence through policy: Nurses have a unique role

Nurse practitioners select the most appropriate conceptual model for each particular situation. To choose a theory to guide their practice, nurse practitioners follow the process outlined by Janet Kenney (See Chapter 31 in Philosophical and Theoretical Perspectives for Advanced Nursing Practice).

Guide to Evidence-Based Nursing Practice for Nurse ...

If you are not used to being reflective it can be hard to know where to start the process. Luckily there are many models which you can use to guide your reflection. Below are brief outlines of four of the most popular models arranged from easy to more advanced (tip: you can select any of the images to make them larger and easier to read).
