AICPA Internal Control Toolkit. Obtaining an understanding of a client's internal control is a necessary step in every audit. However, a 2018 Peer Review Program survey found over 40% of audits didn't comply with AU-C 315 or AU-C 330 because auditors did not properly identify the risks of material misstatement through obtaining an understanding of their client's controls.

Internal Control Resources - AICPA

In the context of internal controls, paper or electronic communication which supports the completion of the lifecycle of a transaction meets the criteria for documentation. Anything that provides evidence for a transaction, who has performed each action pertaining to a transaction, and the authority to perform such activities are all considered within the realm of documentation for these purposes.
