An international edition is a textbook that have been published outside the US. These books are usually significantly cheaper than textbooks published in the US. Offering tremendous value, international edition textbooks are created to be sold in different regions and are often printed on cheaper paper and are usually softcover.

What Is An International Edition? - AbeBooks Help Center

Consider international editions - textbooks that have been published outside the US. These books are usually significantly cheaper than textbooks published in the US. Offering tremendous value, international edition textbooks are created to be sold in different regions and are often printed on cheaper paper and are usually softcover.

AbeBooks: International Edition Textbooks

An International Edition textbook is simply the international counterpart to a US Edition. Most international editions have slightly different covers, many have different ISBNs on the outside covers (although some have the same ISBN as the US edition on the inside), but are still printed on high-quality paper. International Edition textbooks may have an international label on the cover.
