Intown Living A Different American

In Intown Living, authors Ann Breen and Dick Rigby document this movement, arguing that if properly nurtured, it could help slow current patterns of sprawling development and help revitalize America's cities. They illustrate the many benefits of city living and offer strategies and encouragement for public officials and private developers to team up and expand central city housing opportunities.

Not an ex-American (I don't think that very many US citizens abroad would identify as "ex-Americans"), but a US citizen and cultural American living abroad. The biggest systemic difference I notice (8 years abroad, mostly in Germany) is that people here do not discuss: 1. The cost of studying 2. Medical expenses (at all. At all. Just imagine ...

InTown Homes | Award-Winning Luxury Home Builder

American culture tends to be more informal than other countries. It's common for Americans to wear casual clothing to school and isn't uncommon to call supervisors by their first name. But good manners and politeness are always appropriate, and if you're more formal than your American friends then at least you'll be memorable.
