Inventing Japan - AbeBooks
This is a very good overview of the political transformation of Japan from Commodore Perry's forcing it open in 1853 until the 1964 Tokyo Olympics. It focuses on politics, with the overall arguments that liberal democracy has never been part of Japan and that its constitutional system, both before and after WWII, was too weak an unresponsive to be effective.

Inventing Japan : 1853-1964 - Walmart.com - Walmart.com
A very interesting but brief overview of the creation of modern Japan with a focus on the years from 1853 (when Perry sought to "reopen" Japan via gunboat diplomacy) through 1964 when Tokyo hosted the Olympics. Let me emphasize brief, because this is like an outline or a sketch. I wanted more information about almost everything.
