Juki America | Home Sewing, Serging, and Quilting Machines

Juki is a Japanese company and they're a proud ambassador to the efficiency and attention to detail that we expect from Japanese manufacturing. They produce serious machines for serious sewists — and the DDL-5550 is no exception.

Juki DDL-5550 Industrial Straight Stitch Machine Review | SFH

96.7 The Juki HZL-LB5100 is one of the more affordable Juki computerized sewing machines. Owners give the unit high praise and report that it provides good value for the money. The LB5100 is lightweight and fairly compact, making it a good choice for those who want a portable machine.

Juki HZL-LB5100 Review - Sewing Machine Ratings

The Juki DDL-5550N is a single-needle, straight stitch, industrial sewing machine. Manufactured in Japan by Juki, a world leader in sewing quality and technology, this machine is perfect for sewing light to medium weight fabrics (not intended for leather or other heavy materials).

Amazon.com: JUKI DDL-5550 Industrial Straight Stitch ...

However, in my opinion, I believe the Juki DDL 5550N could very well be a good choice for use in vocational programs where tailoring is a course of study. Learning the skills needed to be a successful and productive tailor or alteration specialist on a machine like this is a major advantage for students whose experience is limited to standard home or classroom sewing machines.

Juki DDL 5550N Review | Sewing Insight

The Juki HZL-F600 has a maximum speed of 900 stitches per minute, which is nowhere near as impressive compared to the Juki DDL 8700. Then again, after getting a chance to use, I don't consider this a disadvantage, at all.
