Justifying War Propaganda, Politics and the | BiggerBooks

The relationship between the need to justify war and the means of communications is the other central feature of this volume. Propaganda came of age in the twentieth century. The development of mass- and multi-media offered a fertile ground for propaganda and total war — and, later, global conflict and asymmetric warfare — provided the impetus needed for its growth.

Propaganda for patriotism and nationalism - The British

...

Atrocity propaganda was a form of advertising in World War I that focused on and embellished the most violent acts committed by the German and Austro-Hungarian armies. The Germans and Austro-Hungarian soldiers were depicted as inhumane savages, and their barbarity was emphasized as a way to provide justification for the war.
