Each language on Glossika has a large amount of authentic sentences recorded by native speakers. Listen carefully and repeat after the native speakers is one of the key element to achieving fluency. Start speaking from day 1!

## **Glossika | AI-Based Effective Language Learning**

Khatzumoto, Glossika, Scott Young's recent experiment.. etc. all of them push the mass beginner sentence craze. I suspect the real reason is that the scripts in some of these languages can sometimes be impenetrable (although not the case for Korean), and that useful natural content with script/text is often very hard to find.

### **Glossika Review And Eye-Opening Interview With Its Founder**

Currently I am learning around 10-20 new sentences each day, plus reviewing 150-200 sentences I've already learned (served up by the algorithm). And to be clear, I wasn't a complete beginner when I started with Glossika. I'm not in Thailand, so using Glossika is how I learn and practise the language each day.
