and Learn. Authors: Relja Arandjelović, Andrew Zisserman. Download PDF. Abstract: We consider the question: what can be learnt by looking at and listening to a large number of unlabelled videos? There is a valuable, but so far untapped, source of information contained in the video itself -- the correspondence between the visual and the audio streams, and we introduce a novel "Audio-Visual Correspondence" learning task that makes use of this.

Learn the skill of networking and building relationships that are made of trust, loyalty, and treating each other with dignity and respect. Look, Listen and Learn are three simple words. If applied and used consistently, our leadership journey could be made easier and we will be more effective in the eyes of those we serve as we lead.
