Understanding Global Markets:
Macroeconomics for Executives is
designed to help business leaders better
understand monetary policy and central
bank decision making, and how these
factors impact the countries in which
they operate. This popular program
started as a two-day course, but due to
participant enthusiasm, it is now offered
in a three-day format.

Understanding Global Economics | MIT Sloan Executive Education

First, the course aims to provide
participants with a basic understanding
of how contemporary macroeconomics
explains dramatic events in the
international economy, such as
recurrent banking and financial crises in
several countries. Much of this
explanation focuses on the role of
confidence, expectations, and crowd
psychology.

Understanding world economics | TED Talks

Economics is a complex subject filled
with a maze of confusing terms and
details which can be difficult to explain.
Even economists have trouble defining
exactly what economics means. Yet,
there is no doubt that the economy and
the things we learn through economics
affects our everyday lives.
