The Zing User Manual will be VERY similar to my current KNK User Manuals in that I will cover both the cutter and the software in great detail. I have a LOT to write in the next few weeks, but I'm definitely well into it and, just like with the KNK Manual, it will be a work in progress for a while.

Zing User Manual — Make The Cut! Forum

To write user manuals, start by breaking up the bulk of the content into chapters or sections that make sense for the product's use, then kick off the manual with a table of contents and glossary. Next, create safety warnings and write a description of the device.
