Here is an updated
version of the \$domain
website which many of
our East European
book trade customers
have been using for
some time now, more
or less regularly. We
have just introduced
certain upgrades and
changes which should
be interesting for you.
Please remember that
our website does not

Online Library Medical

replace publisher
websites, there would
be no point in
duplicating the
information. Our idea is
to present you with
tools that might be
useful in your work
with individual,
institutional and
corporate customers.
Many of the features
have been introduced
at specific requests
from some of you.
Others are still at
preparatory stage and

Online Library

Medical
