Here's how to find free books (both public domain and otherwise) through Google Books.

Medieval Europe Chris Wickham

"Medieval Europe is a model of clarity and accessibility, the superlative answer to a challenge taken up by an eminent and wide-ranging historian: to interpret the history of a millennium in 250 pages. This yields a sense of intellectual adventure that remains compelling throughout, as Chris Wickham engages his readers in his arguments, choices and interpretations, and keeps them on their toes."—Mayke de Jong, Utrecht University

As Chris Wickham states in the introduction, this is an interpretation rather than a comprehensive account of European history between 500 and 1500. Exploring the processes whereby the monolithic structure of the Roman empire transformed into the multifarious polities of Western Europe, he focuses on a series of key moments of change.

Medieval Europe by Chris Wickham - Goodreads

Wickham (Sleepwalking into a New World), professor of medieval history at Oxford, expands his usual focus on medieval Italy to cover the entire European Middle Ages. His aim is to abolish the belief that the years 500–1500 C.E. constituted a stagnant period between the fall of Rome and the recovery of knowledge during the Renaissance.

Medieval Europe by Chris Wickham, Paperback | Barnes & Noble®

Prizewinning historian Chris Wickham defies the conventional view of the Dark Ages in European history with a work of remarkable scope and rigorous yet accessible scholarship. Drawing on a wealth of new material and featuring a thoughtful synthesis of historical and archaeological approaches, Wickham argues that these centuries were critical in the formulation of European identity.
