Mercedes Diesel Engine Codes

Mercedes engine codes.....which ones have been the most common and how did we go about fixing them. I will talk about 3 of the most common engines codes to date. The one code I have seen the most over the years has been the '2631 Turbo Boost Performance' the most common code with these MBE diesel engines. This code is literally a pain in the you know what primarily because it keeps coming back and in most cases does not take much to activate.

Mercedes MBE 900 Diesel Engine Codes | Mechanics Hub

The first three numbers correspond to the type of engine that you have (diesel, oil and such). For example, an M116 type engine would have an engine ID number that begins with "116" and an M114 type engine would begin with "114."
