History of Mossberg.

Most people associate the Mossberg name with the famous Model 500 series of slide action shotguns, one of the most popular weapons of our time. This shotgun, which is used in law enforcement and in the shooting sports, is but one in a long list of firearms designed and manufactured by O.F. Mossberg & Sons.

Mossberg 377/380  
Disassembly Question I  
acquired an older 380  
Mossberg .22LR a year  
or so ago. It's rough,  
pitted, dirty and in  
need of some TLC. I  
finally got parts lists,  
manuals and  
instructions. First step  
out of the box is to  
take off the stock.  
Check. Second step,

# Access Free Mossberg 377 Plinkster Manual

unscrew and remove  
the breech plug. Crap.
