Mouse Or Rat Translation As Negotiation Umberto Eco

Mouse or Rat? is an entertaining and informative look at the role of negotiation in translation, with a focus on Eco's experience with the translation of his own fiction and scholarly works. The examples Eco cites are, in some cases, mind-numbingly complex (how many times do we have to preserve subtle allusions to medieval literature in a dozen different languages?), but there is a certain clarity to be gained by looking at extremes.

Eco says he translated 'rat' as 'topo', which in Italian actually means mouse, because they don't really have a word that means 'rat' in the same sense. Of course, this misses the wordplay of 'rat' as someone who is a betrayer. The book is mainly a series of similar examples, many taken from translations of Eco's own works.
