### PAL:Appendix Y: Sympathy in American Literature

Many years ago, I participated in a training for a call center Customer Service Representative (CSR) position. In this training, supervisors role played various scenarios using real-life examples from calls that had come in to the center, illustrating the powerful concept of using empathy versus sympathy in customer encounters.

### Empathy Versus Sympathy in Customer Service

Hegel's philosophy of history is perhaps the most fully developed philosophical theory of history that attempts to discover meaning or direction in history (1824a, 1824b, 1857). Hegel regards history as an intelligible process moving towards a specific condition—the realization of human freedom.

### Philosophy of History (Stanford Encyclopedia of Philosophy)

The most comprehensive authority on placenames of American Indian origin American Indian words define the North American landscape. This volume combines historical research and linguistic fieldwork with Native speakers from across the United States to present the first comprehensive, up-to-date scholarly dictionary of American placenames derived from Native languages.
