The Curtis-Mathes AUT-8300E and AUA-8300E are identical (to their NEC counterparts) except for being silver. I've never hooked up the C-M AUA-8300E I got as part of a tuner/amp deal, but the tuner is excellent for both sound and sensitivity. Last edited: May 5, 2010 ManFromPorlock, May 4, 2010
