South Asia News- Top News Headlines from South Asia

A focus on Asia is particularly timely given the changing geopolitical landscape and rise of economic powerhouses in the region, the worldwide influence of multiple different Asian cultures, and Asia's complex role within the Global South. The central work of the Asian Cosmopolitanisms Lab will be to redefine Asia from its Cold War understanding as particular nation-states within a geographical region, to a new conception as multiple networks and flows that touch upon all parts of the world.

Cosmopolitanisms | Public Culture | Duke University Press

As the final installment of Public Culture's Millennial Quartet, Cosmopolitanism assesses the pasts and possible futures of cosmopolitanism—or ways of thinking, feeling, and acting beyond one's particular society. With contributions from distinguished scholars in disciplines such as literary studies, art history, South Asian studies, and anthropology, this volume recenters the history ...

Duke University Press - Cosmopolitanism

Europeans that there were lived cosmopolitanisms in Asia and theorizing them. That gesture legitimizes Euro-teleology by reversal. As a result, people will patronize you and not take you seriously when you are not there. I was invited to Nepal in December 2011 because in South Asian studies, India is the 800-lb gorilla in the room.
