matter what you attain in your life, no matter how much you achieve, none of it is worth it if you're not happy.

Ultimately, the pursuit of success is a pursuit of happiness. This is why everyone tries to achieve anything in this life, just because of the sense of achievement and victory, is making them happy deep down.

Socrates explains to the people that the true happiness is more than just wealth and power. As he says, "Wealth does not bring about excellence, but excellence makes wealth and everything else good for men" (Apology, 30b). In other words, money can't make people be experts in things because only excellence means being good or expert at ...
