particular area. The opium poppy is a potent plant that has been cultivated and used for thousands of years to alleviate suffering.

Opium for the Masses : Harvesting Nature's Best Pain ...

Harvesting Nature's Best Pain Medication. Opium for the Masses was such a national phenomenon when first released in the early '90s that Michael Pollan wrote a cover story for Harper's magazine about the book, in which he expressed his amazement that a common plant, *P. somniferum*, or the opium poppy, grows wild in most states, and could be made into a drinkable tea that acts in ways similar to codeine or Vicodin.

Opium for the Masses » Feral House

As late as 1915, pamphlets issued by the U.S. Department of Agriculture were still mentioning opium poppies as a good cash crop for northern farmers. Well into this century, Russian, Greek, and Arab immigrants in America have used poppy-head tea as a mild sedative and a remedy for headaches, muscle pain, cough, and diarrhea.

opium "gum" ooze out.

Opium Poppy: Production & Distribution

In addition to the horticultural advice, *Opium for the Masses* offered simple recipes for making "poppy tea" from either store-bought or homegrown poppies, and Hogshire reported that a cup of this infusion (which is apparently a traditional home remedy in many cultures) would reliably relieve pain and anxiety and "produce a sense of well being and relaxation."

Opium Made Easy « Michael Pollan

"Religion is the opium of the people" is one of the most frequently paraphrased statements of German sociologist and economic theorist Karl Marx. It was translated from the German original, "Die Religion ... ist das Opium des Volkes" and is often rendered as "religion... is the opiate of the masses.". The quotation originates from the introduction of Marx's work *A Contribution to the Critique ...*
