Anthology Wallpaper USA & Canada

Updated February 28, 2018. "In literature, an anthology is a series of works collected into a single volume, usually with a unifying theme or subject. These works could be short stories, essays, poems, lyrics, or plays, and they are usually selected by an editor or a small editorial board. It should be noted that if the works assembled into the volume are all by the same author, the book would be more accurately described as a collection instead of an anthology.

In general most anthologies don't have a consistent level of writing throughout, but Paper Cities goes against that theory. Nearly every story was well done and those I didn't care for it wasn't from lack of talent but rather the aim of the story. Paper Cities also made me rethink what I define Urban Fantasy as.
