Now you can make this easier and filter out the irrelevant results. Restrict your search results using the search tools to find only free Google eBooks.

Pediatric Emergency Medicine Journal

Changes in Pediatric Emergency Care. The field of pediatric emergency medicine continues to grow and flourish, expanding to incorporate advances in technology. Similarly, over the life of the journal, we transitioned our publication frequency from quarterly to bimonthly and then to monthly, with a concomitant increase in the annual number of pages. More recently, in an effort to conserve resources, we markedly decreased the print publication of reviews, other than a single CME article ...
