Librivox.org is a dream come true for audiobook lovers. All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.

Physicians Guide To End Of
Many physicians have never been trained in palliative measures and end-of-life care. It is a challenging area but one in which clinicians can enhance the quality of life for seriously ill patients. Developed by members of the ACP End-of-Life Care Consensus Panel, Physician's Guide to End-of-Life Care is divided into three sections containing clearly focused, practical information with illustrative cases.
