You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

I have a Polaris sportsman 500 efi and I'm having idling problems. When I bought the quad it idled fine. I stopped topped off the tank, maybe a gallon, and after a few runs at home I can't get it to idle. It's a 2008 with only 19 hours, 130 miles on it, obviously it has sat for a while.
