Political Order in Changing Societies | Yale University Press

September/October 1997 Huntington's foundational work on political development was controversial when it first appeared, in the midst of the Vietnam War, because it argued that order itself was an important goal of developing societies, independent of the question of whether that order was democratic, authoritarian, socialist, or free-market.

Political Order in Changing Societies | Foreign Affairs

Of these works, "Political Order in Changing Societies" is perhaps a classic which all students of political science should read. This is considering that although the book was originally written in the 1960s, it is almost brim full of thought-provoking, illuminating and, at times, counter-intuitive insights about politi

Suffice it to say that Political Order in Changing Societies surprised me pleasantly with its fresh insights, wide learning, and clarity of argument. Its reputation as one of most important books in political development is well-deserved. If I were to describe this book in one sentence, I would say that it is Hobbesian in outlook and Hegelian ...
