There is a quiz at the end of the i-Ready Personalized Instruction lessons that are not appropriate for the whole class and small group use case, so these quizzes have been removed from the Interactive Tutorials in Teacher Toolbox. Because of this removal, the progress bar stops where the quiz would have been (i.e., when the lesson is complete).

The Republican Revolt Against COVID Science and Common Sense
In urban areas such as New York City, the percentage of students graduating high school in four years increased from 51% in 2003 to 69% in 2011 (Kemple, 2013). This success is the result of a tremendous national and local effort to improve the systems and structures necessary to ensure that more students graduate high school on time.
