Renaissance Revolution And Reformation Student

Renaissance, Reformation, and Revolution introduces the major political, economic, social and cultural trends, which characterize European society from the Renaissance through the French Revolution. The primary focus is an examination of the changes and conflicts that mark the transition from medieval society to Modern European society, and the impact that this transition has for individuals, groups, institutions, and the world view of Europeans in the early modern period.

Renaissance, Reformation, and Revolution

Students will explore the Renaissance which began in the 1300s in the wealthy city-states of Italy, where ideas of humanism, rediscovery of classical civilization, and realism led to a revolution in the arts, science, and literature. Then the focus turnsto the Reformation where religious reformers such as Martin Luther began
