In a pure democracy, all citizens who are eligible to vote take an equal part in the process of making laws that govern them. In a pure or "direct democracy," the citizens as a whole have the power to make all laws directly at the ballot box. Today, some U.S. states empower their citizens to make state laws through a form of direct democracy known as the ballot initiative.

## **THE DAILY ME - Managementboek.nl**

A democracy is a political system, or a system of decision-making within an institution or organization or a country, in which all members have an equal share of power. Modern democracies are characterized by two capabilities that differentiate them fundamentally from earlier forms of government: the capacity to intervene in their own societies and the recognition of their sovereignty by an ...
