Rules of the Road - Trial Guides

At its most basic level, the Rules of the Road is a technique used to educate first the trial lawyer, and then the judge and the jury, about the basic principles of the case that require the dispute to be resolved based on obligations the defendant has violated and for which it should be held accountable.

Rules Of The Road, by Rick Friedman | Property Insurance ...

The International Regulations for Preventing Collisions at Sea 1972 (COLREGs) are published by the International Maritime Organization (IMO) and set out, among other things, the "rules of the road" or navigation rules to be followed by ships and other vessels at sea to prevent collisions between two or more vessels.

International Regulations for Preventing Collisions at Sea ...

Navigation Rules. The Navigation Rules are much like the rules of the road on the highway. They establish a consistent way to navigate safely and avoid collisions when two boats are crossing paths, are on course to meet head-on, or when one boat wishes to overtake another. The U.S. Aids to Navigation System is a system maintained by the U.S. Coast Guard, consisting of visual, audible, and electronic signals which are designed to assist the prudent mariner in the process of navigation.
