Schlage BE365 Programming/operating Manual

Re-keying a Schlage without a key is difficult because the locks were purposely designed not to be easy. A locksmith could do this quickly, but may be expensive since they will need to do a house call without a key. New Schlage locks come with a reset key that allows you to re-key the lock without other existing keys.

How to Rekey a Schlage Without a Key | Hunker

Schlage Be365 century keypad deadbolt adds convenience to functionality with its keyless option while still maintaining the integrity of a keyed deadbolt for versatility. Battery operated for ease of installation. It is the perfect addition for both exterior and interior applications where security is essential.
